

## Care for Life summer H.E.L.P. program

Thank you for your interest in serving in Mozambique. Our summer HELP program (Humanitarian Education leadership Project) is a 4 week group experience. We serve some of the poorest people in the world. The teams do community service projects, teach skills to children and serve in orphanages.

Our trips are not tourist vacations. Participants should be physically and mentally prepared to face frustration and disquieting circumstances while traveling, working and living in impoverished, primitive areas. Participants must expect the unexpected, be patient and keep a sense of humor.

If you feel drawn to help some of the world's poorest children, and are willing to sacrifice for the opportunity to work with a team to serve these people, then a Care for Life HELP team experience may be for you.
